**The Tunnell Trust for Young Musicians** was established following the merger of the John Tunnell Trust and the Young Musicians' Trust in 1999.

The John Tunnell Trust was formed in 1988 by family members, colleagues and friends of the late John Tunnell, OBE, the founder leader of the Scottish Chamber Orchestra. The Trust was established in order to support young musicians and chamber groups in particular. The aim of all our work is to help bridge the difficult gap between the student and professional worlds for our Young Musicians, where recognition and experience can only be gained from quality performing opportunities.

In 1993 Wendy, John's widow, set up the Young Musicians' Trust wishing to do even more to promote young musicians. She ran the Trust until her untimely death in 1998. The Young Musicians' Trust promoted its own series of concerts in country houses, schools and other venues and staged an annual study and performance week at Strathgarry in Perthshire, Scotland whilst winning extraordinary support from many high profile sponsors.

The Trust's Awards Scheme has assisted some 107 young chamber music ensembles (435 individual musicians) and 82 different Scottish Music Clubs in 668 concerts. The Trust pays the fees of outstanding young groups to play at Music Clubs all over Scotland with an emphasis on helping Clubs in small and remote places as well as in the major centres. Young groups are selected annually at auditions held in London.

In addition the Trust promotes its own annual summer study & performance week on the Isle of Coll in the Inner Hebrides - Music Coll. This ten day event gives up to five young groups the chance to work together for an intensive period of time without distraction. There is time to rehearse, receive inspiring tuition and to perform in our three public recitals. The Trust has enjoyed outstanding success. We have been able to provide much needed learning and performing opportunities for Young Musicians at the outset of their careers and vital support for local arts and educational organisations often situated within isolated communities.

As a working Trust, there is a need to raise funds annually in support of the Awards Scheme which enters its 31st season. After a highly successful move to the Isle of Coll seven years ago, our study and performance week is also a focal point for much needed fund raising. The Course now enters its 27th year. Much of our work is funded by large national charities, commercial sponsors and many generous individuals. We are extremely grateful to all those who make our work possible.
